Cure of Cancer

1594. SHRI SHANKER SINH VAGHELA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government's attention has been drawn to the news item which appeared in the 'Patriot' of 12th July, 1984, to the effect that a new method for the cure of cancer has been found which would not harm healthy cells of the body;

(b) if so, what are the details thereof;

(c) whether Government propose to import those medicines from countries where they are available, for treatment of Cancer patients in India; and

(d) if not, what are the reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (MISS KUMUD BEN M. JOSHI): (a) Yes.

(b) According to Lancet Medical magazine, this new method of treatment can deliver a large lethal dose of radio-active iodine to a malignant tumour without affecting other organs adversely.

(c) and (d) This could be examined only after the method is fully established after clinical tests.

Arbitration proceedings regarding Unauthorised occupation of Railway land by M/s. Pure Drinkings Ltd.

1595. SHRI SURESH KALMADI:
SHRI S. W. DHABE:
SHRI KISHOR MEHTA:

Will the Minister of RAILWAYS be pleased to refer to reply to Unstarred Question 1787 given in Rajya Sabha on the 14th March, 1984 and state:

(a) the number of sittings held in the case pending before the Arbitrator and when was the last sitting held;

(b) what are the reasons for delay in arriving at a decision in the matter; and

(c) by when a decision is expected?

THE MINISTER OF RAILWAYS (SHRI A. B. A. GHANI KHAN CHOUDHURY): (a) So far 70 sittings have been held by the Arbitrator. The last sitting was held on 23rd July, 1984.

(b) The matter is under consideration of the Arbitrator. The delay is not on the part of the Railways.

(c) As the arbitration proceedings are still in progress, it is not possible to predict, when the award will be given by the Arbitrator.

Stone quarries of Eastern Railways

1596. SHRI CHATURANAN MISHRA:
SHRI SURAJ PRASAD:

Will the Minister of RAILWAYS be pleased to state:

(a) whether it is afect that the Eastern Railways have their own stone quarries in Sheikhpura area of Mungher District in Bihar where stone-breaking is done at Rs. 25/- per cubic metre only whereas the contractors supply stone metal at Rs. 50 to Rs. 55/- per cubic metre; and

(b) whether it is also a fact that Sheikhpura is nearer to Danapur Division of Eastern Railways than Jamalpur from where the contractors supply stone metal and the freight charges are higher for stone metal supplied by the contractors and

(c) if so, what are the reasons for closing down their own quarries, numbers one to four, by the Eastern Railways in Sheikhpura area and instead placing orders for supply of stone metal from the contractors?

THE MINISTER OF RAILWAYS (SHRI A. B. A. GHANI KHAN CHOUDHURY): (a) Yes, Sir.

(b) It is a fact that Sheikhpura is nearer to Danapur Division by about 6 Km. than Jamalpur. The difference in freight charges is, however, not much.

(c) The Eastern Railway has not closed down their own quarry in Sheikhpura area. It is still very much in use and stone ballast is being supplied from Sheikhpura quarry. However, this quarry has some operational constraints in the placement/withdrawal of ballast trains due to which the supply of stone ballast from Sheikhpura quarry alone can not meet the entire demand of Danapur Division. Therefore the Railway has to take supply of ballast from the private quarry at Jamalpur to meet its total requirements.
